

IN MEMORIAM

ANGELA PITTS

Angela Pitts passed away peacefully on September 14th with family at her side after a long and brave battle with cancer.

Angela will be cremated. Her wishes will be respected: no funeral, no viewing, no celebration of life, no obituary in the paper, no donations to any group or organizations, no flowers.

Angela and her husband, Ron joined the Bastion City Wanderers early in its formation and continue as active members today. Angela took on the role of CVF Historian two years ago. They were frequently seen at CVF Conventions. Some of you from out of town will remember her as the greeter for nine years at the Victoria International Walking Festival

Angela will always be remembered for her positive attitude, her willingness to help with any job that needed doing to keep the club operating and her bright smile. She will be missed.

“What a beautiful lady, wife, mother, and special friend to so many. She will be dearly missed by us and her many, many friends. Gone, but never forgotten”
