

IN MEMORIAM

Anita Mary BEECROFT
July 21, 1950 - March 15, 2019

Anita was born in Edmonton and went to school in Sherwood Park and University of Alberta. After graduation from University, Anita worked for the University Hospital and Government of Alberta as a programmer, systems analyst and project manager. Anita's love was teaching and learning. She started her teaching career at Northern Lights College in northern BC. She enjoyed working in an academic environment where everyone is encouraged to be a life long learner. Anita was a teacher at Kwantlen Polytechnic University in Surrey, BC in the Computer Science Department, before retiring in 2015.

She travelled a lot with her husband, Roger on one-year teaching exchanges to England, Australia, Germany, Switzerland and in 2017-2018 Mexico City. She was involved in the Power to Change Ministries.

Since retirement Anita volunteered doing income tax services for low income people at the Salvation Army in Surrey. She loved gardening and belonged to the Langley Garden Club.

Anita joined the Surrey Trekkers in 2014 and used her computer skills to help edit and publish several issues of VolkssportingBC. She willingly offered her expertise for the 2016 CVF/FCV Convention in Langley, BC.
